CHEESEBURGER, IN A
BRIOCHE-STYLE BUN WITH
FRIES

FUN FACTS

HERE ARE SOME FUN FACTS ABOUT THE RUNNING HORSES PUB...

Opposite the pub, is the ancient church of St Michael, which is mentioned in the Domesday book (which is a really, really old book).

In the days before trains, the inn was a favourite stable for horses racing at Epsom.

It was renamed The Running Horses in 1828 because of a famous incident at the Epsom Derby of that year.
